

Small Group Live Spelling and Coding Independent Activity

**Note: It is advised that a set of these cards is laminated for each member of the small group so they may be used with a dry erase marker; fasten together using a book ring or keep neatly in order. One side should have the short sound and the reverse side should contain the magic e word.*

Ex: hid →hide

hid

hide

cut

cute

mad

made

cop

cope

rid

ride

Note: If students are able to code the words, the e should be crossed out and the macron should be over the first vowel. Ex: r ī d̄ ē
